LiRN Funding and Libraries	
Will you support the Law Society maintaining its current level of funding for LiRN, adjusted annually for inflation?	Yes
Do you recognize the importance of the Law Society’s support for the LiRN budget in maintaining licensee competence across Ontario?	Yes
Law Libraries are of critical importance and must be appropriately funded.	
If you are an incumbent, do you regret voting to cut the LiRN budget by 10% in November 2020?	Didn't Vote to Cut
N/A - not an incumbent.	
Do you support offloading funding for LiRN/law libraries to the Law Foundation of Ontario?	No
As a non-Bencher, I have not seen this proposal but would be concerned about any offloading that reduced services or access.	

Legal Aid Funding	
Will you advocate for Legal Aid Ontario funding improvement and sustainability to ensure that being a Legal Aid-empanelled lawyer remains a viable area of practice for the private bar?	Yes
👉 If you answered “yes”, how?	
Having a sustainable legal aid system is critical to the justice system.	
Please describe efforts that you believe should be undertaken by the Law Society to advocate for investment in LAO and increased financial allocation to LAO from the provincial and federal governments’ budgets.	
No response provided.	

Paralegal Scope of Practice	
On December 1, 2022, Convocation approved the Family Legal Service Provider (FLSP) license to allow paralegals who complete specified training to assist clients with certain family law services. The FLSP is to be reviewed in 3 years. Should paralegals’ scope of practice be expanded?	
It should be expanded no further than the FLSP	
👉 If you answered “yes”, in what ways, why, and what additional training (if any) should be required of paralegals?	
No response was required, but the candidate wrote: The issue comes down to ensuring competency while addressing access to justice issues. The changes were recently approved by Convocation and there has yet to be time to assess their impact before expanding into additional practice areas. Instead, the focus should be on paralegals expanding to fill the gaps within their existing scope to help address access to justice issues.	
Lawyer licensees pay an annual competency levy as part of their annual fees that contributes towards LiRN, which funds courthouse libraries. Would you support a requirement for paralegals to also pay an annual competency levy?	No
Before any change was made the use of Law Libraries by paralegals would need to be explored further.	

Law Association Involvement	
When did you become a member of each of the associations you selected above? Which board or executive roles, if any, have you served in as part of these associations? Please list relevant dates and roles.	
Not a member of a county or district law association.	
Why are you a member of each of the associations you selected above?	
Not a member of a county or district law association.
